PACKAGING

ProGame Tatami by Troc ellen have been developed, tested and approved to offer high quality solutions, considering athletes' needs **WKF** requirements and competition regulations.

Troc ellen karate mat's proper hardness and non-slip surface make it a very technical, professional tatami.

Together with perseverance and commitment, keeping both physical and mental balance is key to practicing karate successfully.

It allows maximum concentration and instant reaction without the need to recover balance and waste energy.
