

# GREEN WKF APPROVED

REDUCED CO<sub>2</sub> EMISSIONS

BIO-BASED FOAM LAYER

RICE STRAW EMBOSSING

WASHABLE

LIGHTWEIGHT

HIGH PRECISION SHAPE

LASER PRINTED WKF GREEN KARATE LOGO

ProGame tatami have been developed, tested and approved to offer high quality solutions, considering athletes' needs, WKF requirements and competition regulations.

The innovative three-layer design of the new **Green WKF Approved Tatami** allow a grip on the mat and a precision of movement never before achieved by ProGame.

It is the first bio-based mat with premium features. Compared to the previous model, it generates, at least, a 20% reduction in CO<sub>2</sub> emissions.

The new shape of the interlocking system, with bigger undercut, ensures a level of stability never before achieved by ProGame.
